

# PROGRAMME 2025

Tue 24<sup>th</sup> June

FOCUS day - Sleestonhow, Kirkby Thore, Penrith

**Workshop - “How to stimulate more collaboration within supply chains to get better access to regenerative products?”**

10.30 am

**Welcome and introductions** – Nic Renison and Liz Genever

10.40 am

**Why do we need to care?** - Patrick Holden, Sustainable Food Trust

**We don't have time to be small anymore – how can we build local supply chains?** – Nicola MacPhail, consultant

11.10 am

**Session 1 of World Café discussion** - led by Nicola MacPhail

- What support do farms need to offer direct sales? - with support from Lynn Barnes (Vista Veg) and Jannike Taylor (Eden Yard)

- How can we establish regional regenerative wholesalers? - with support from Richard Rankin (H&H)

- Where are there opportunities for possible pilots in north England? - with support from Laura Blake (Future Proof Cumbria)

11.30 am

- What do we need to do to facilitate local public procurement and where are the opportunities? - with support from Anna Cabreira (Northumberland County Council) and Hermina Ely (Rural Design Centre)

- How can we increase good food education and increase consumer awareness? - with support from Patrick Holden (Sustainable Food Trust)

- What is needed to stimulate and support a thriving rural economy? - with support from Nabil Subuh (Westmorland Family) and Maria Benjamin (Dodgson Wood)

11.50 am

**Break**

12.05 noon

## Session 2 and 3 plus feedback session

1.00 pm

Lunch break with food from local suppliers

2.00 pm

### **Building regenerative systems at scale - what are we learning?**

*Chaired by Sheila Dillion (broadcaster)*

Phil Scott (Lake District Farmers) will be talking about their work with farmers, and how they are developing new markets outside the north

Paddy Long (Ruumi) and Dominie Fearn (Wild Hare) will be talking how they are connecting data from farm to ensure reassurance within the supply chain

Phil Hambling (ABP) will be highlighting the work that is being done with farmers alongside retailers to meet changing market demands

### **Panel session - how do we “Go Forth”? *Chaired by Patrick Holden***

3.00 pm

With Bobby Keegan (chef, Ashlack Hall), Tim Bloomer (brewer, Fell Brewery), Nicola MacPhail (consultant) and Phil Hambling (processor, ABP)

4.00 pm

**Finish**

5.00 pm  
onwards

Registration opens for LISTEN day

Wild camp site available (please purchase camping tickets)

**Vanessa Winstanley and Liz Genever will be running a Family Constellations session from 5 - 7 pm for anyone who wants to join.**

The bar will be open from 5 pm, with food served from 7.00 pm. Please book a meal ticket online, with payment taken on the evening.

Beers provided by

<b>Wed 25<sup>th</sup> June</b>	<b>LISTEN day - Sleastonhow, Kirkby Thore, Penrith</b>	
	<i>Registration opens at 8.00 am.  Breakfast and posh coffee available to purchase. Free tea and coffee will be available - bring your own mug. Bring your own water bottle</i>	
<b>9.30 am</b>	<b>Welcome and opening</b>	<i>Liz Genever and Nic Renison</i>
	<b>Giving two f**ks about nature</b> (NFFN)	<i>Chaired by Martin Lines</i>
<b>9.50 am</b>	<p>Judith Hutchison (farmer from Scotland) will be talking about her experience of transition to regenerative approaches, and the financial and family implications.</p> <p>Jannike Taylor (Eden Yard, farmer from Cumbria) will be talking about the development of their business selling the only cooking oil from Cumbria.</p>	
<b>10.45 am</b>	<b>Break</b>	
<b>11.15 am</b>	<b>Headliner: Jules Matthews</b>	<i>Chaired by Marian Boswall</i>
	<p>Jules is an agroecological farmer, educator and coach – she was Nicole Masters' (Integrity Soils) coach. She helped to establish Mangaroa Farms near Wellington (NZ), where regenerative principles guide the farming practice for a market garden and livestock production, and community engagement. She works with the Quorum Sense Farmer Network in New Zealand and Integrity Soils.</p> <p>She will be talking about how to restore the microbial bridge in soil and people, linking nutrient dense products to people, provide the NZ perspective on uptake of regenerative farming and how to drive change on farm.</p> <p>Before lunch, Hugh Addison will introduce the Borderline Challenge and how people can get involved. <a href="https://www.theborderlinechallenge.co.uk/">https://www.theborderlinechallenge.co.uk/</a></p>	
<b>12.45 pm</b>	<b>LUNCH BREAK</b> <p>Lunch is included in the ticket price, or you can bring your own. Janet from Langwathby Café will be providing the food and it will be excellent. The bar will open from lunch time and there will be free tea, coffee and tap water (bring your own bottle).</p> <p>Over the extended lunch break, there will be a few sessions running:</p> <ul style="list-style-type: none"> <li>- 1 – Unlocking the potential of your farm system - The Power of You" with Silas Hedley-Lawrence (consultant) and Greer Manderson (consultant)</li> <li>- 2 - The secret to hedge immortality and imagining the future of hedges - Megan Gimber (People's Trust for Endangered Species)</li> <li>- 3 - Monitoring soils to enhance carbon and water quality - Chris Turner</li> <li>- 4 – Baselineing biodiversity, starting with birds - Mhairi Cameron (Chirrup)</li> </ul>	

- 5 – Getting curious - Rose Ferraby (artist in residence)
- 6 – Using Ecological Outcome Verification (EOV) to monitor progress - Christopher and Sheila Clarke (3LM)
- 7 – Making and using biochar - Tim Nicholson (Westmorland Woodfuel) and Tim Winder (farmer)

2.30 pm	<p><b>Land. Food. Medicine.</b></p> <p><i>Chaired by Mary-Ann Ochota</i></p>  <p>Dr David Unwin (GP) will be talking about his work with his patients about how changing diets can impact on health, including reducing the rate of Type 2 diabetes. He will highlight the importance of red meat in a balanced diet.</p> <p>Andy Swinscoe (The Courtyard Dairy) will be talking about the power of cheese, and the importance of working with dairy farmers to ensure the benefits pass from the soil through the milk to the cheese.</p>
3.45 pm	<b>Break</b>
4.15 pm	<p><b>How – Q&amp;A session</b></p> <p><i>Chaired by Liz Genever</i></p> <p>Mary-Ann Ochota, Nat Marsden (farmer, Lancashire), Richard Oglesby (farmer, Northumberland) and Jules Matthews will be focusing on how to re-design structures and systems to achieve what we need, and any other questions emerging from the day.</p>
5.00 pm	<p><b>Closing ceremony</b></p> <p>With Rose Ferraby and Nic Renison</p>
	<b>Bar opens</b>
6.00 pm – 7.30 pm	<p><b>Farm walk with Jules Matthews</b></p> <p>There will be an opportunity for people to explore Tim and Emma's farm with Jules</p>
<b>The evening</b>	<p>Food served from 6.30 pm.</p> <p>Please book a meal ticket online, with payment taken on the evening.</p> <p>Wild camp site available (please purchase camping tickets).</p> <p>Music in the bar until late.</p>

<b>Thu 26<sup>th</sup> June</b>	<b>CURIOSITY day – Cannerheugh, Penrith ***different location***</b>	
	Registration opens at 9.00 am. Breakfast available to purchase. Free tea and coffee will be available - bring your own mug	
<b>10.30 am</b>	<b>Welcome and opening</b>	<i>Liz Genever and Nic Renison</i>
	<b>Background to Cannerheugh</b>	<i>Facilitated by Liz Genever</i>
<b>10.40 am</b>	Nic and Reno will provide a background to Cannerheugh for everyone and the plan for the day will be explained.	
<b>11.00 am</b>	<b>Morning farm walk session</b> - Half the group will go on a farm walk, half will do workshops	
<b>11.00 am</b>	<b>Morning workshop sessions</b>	<i>Facilitated by Jules Matthews</i>
	11.05 The importance of getting curious - Jules Matthews	
	11.15 Connecting soil functionality to plant health - Ian Robertson (SSM) and Jade Prince (Farmacy)	
	12.00 Assessing soil microbes and developing a plan - Daniel Iddon (ReGenus)	
	12.30 Results from bio-acoustic bird monitoring - Mhairi Cameron (Chirrup)	
<b>1.00 pm</b>	<b>LUNCH BREAK</b> Lunch is included in the ticket price, or you can bring your own. Janet from Langwathby Café will be providing the food and it will be excellent. Stands will be in the courtyard.	
<b>2.00 pm</b>	<b>Afternoon farm walk session</b> - The other half the group will go on a farm walk, half will do workshops	
<b>2.00 pm</b>	<b>Afternoon workshop sessions</b>	<i>Facilitated by Jules Matthews</i>
	2.05 The importance of getting curious - Jules Matthews	
	2.15 Connecting soil functionality to plant health - Ian Robinson and Jade Prince	
	3.00 Assessing soil microbes and developing a plan - Daniel Iddon	
	3.30 Results from bio-acoustic bird monitoring - Mhairi Cameron	
<b>4.00 pm</b>	<b>Come back together session</b>	<i>Liz Genever and Nic Renison</i>
	A session to capture the main points people have taken from the day, and to highlight the one thing you are going to do.	
<b>4.30 pm</b>	<b>End</b>
